# Unsuitable Items

We know that trends in clothing and accessories can be appealing but sometimes these aren't suitable.

Some items aren't suitable because they could be dangerous, such as heeled shoes, shoes with wheels (Heelys etc.) and jewellery (apart from stud earrings). Items are also unsuitable if they are distracting, like extreme hairstyles or very large hair bows.

Things may change, new trends and fashion might be unsuitable. If we feel anything is unacceptable for school, we'll communicate this sensitively and clearly, but we will always tell you.
